

We live in a world which is full of uncertainties, where financial Planning plays a crucial role in your family's future prosperity. Apart from working hard, you need to plan ahead. You need one solution that can connect with all your personal financials with ease and keep your family protected but also fulfill your religious belief. Adamjee Life-Window Takaful Operations (AL-WTO) has designed a product that can be customized to cater your specific needs. The Salsabeel Plus Certificate is a high allocation Shariah Compliant regular contribution unit linked certificate. A greater proportion of contribution is allocated to units in the early certificate years. The benefits of the certificate are largely linked to the value of the investments of the professionally managed Funds in which a proportion of the contribution is invested.

What is Takaful?

The word Takaful is derived from the Arabic verb Kafala, which means to guarantee; to help; to take care of one's needs. Takaful is a system of Islamic insurance based on the principle of Ta'awun (mutual assistance) and Tabarru (voluntary contribution), where risk is shared collectively by a group of participants, who by paying contributions to a common fund, agree to jointly guarantee themselves against loss or damage to any one of them as defined in the pact. Takaful is operated on the basis of shared responsibility, brotherhood, solidarity and mutual cooperation.

Two fold Benefits

Savings

The regular contributions are invested in one of the two professionally managed Shariah compliant strategies designed to help the savings grow to match the Participant's choice of personal savings intention.

Takaful (Protection)

This is by way of transferring regular nominal contributions ('tabarru'at' - as Takaful donations) into the WAQF Fund. This WAQF Fund protects your intention to save the agreed amount of as sum covered* over the tenure of the certificate.

* 5 to 200 times of the total Annualized Basic Contribution (Basic Contribution x Mode Frequency = Annualized Basic Contribution).

Surplus Sharing

In addition to Risk mitigation benefits, Takaful offers a unique feature of Surplus sharing to the Participants. Surplus in the Waqf, if any, shall be determined on individual participant basis at the end of each financial year, after maintaining necessary reserves as per the advice of appointed Actuary and Shariah Adviser. The Distributable surplus will be allocated to the PIF as per define manner to the eligible Participants.

How your Investment grow in a Shariah Compliant way:

Contributions made towards the Certificate are invested in either of Taameen Fund or Maza'af Fund. You can choose to invest fully in one of the fund that suite your investment strategy. The returns earned after deduction of risk charges, and investment management charges are credited to the unit account balance and accumulate as the certificate holder's cash value. Funds are managed by a team of expert investment managers who adjust the investment mix in light of economic conditions and investment opportunities.

Investment Options

Taameen Fund: Is a low to moderate risk profile fund that aims to generate stable and secure returns by investing mainly in Sukuk bonds and term deposit in Islamic Banks.

Maza'af Fund: Is a moderate to high risk profile fund that aims to generate higher returns over the long run by investing across a wide range of investments such as sukuk bonds, shariah compliant equities, Islamic mutual funds and term deposit in Islamic banks.
