

As we grow older, get married, build families and start businesses, we come to realize more and more that family takaful is a fundamental part of having a sound financial plan. Depending on your type of plan, family Takaful is fairly cheap, which means there's no excuse not to get coverage now. Plus, over the years, you'll find comfort in knowing money will be available to protect your loved ones in case of any unfortunate event. Planning ahead would enable them some relief particularly in the event of the bread winner's demise resulting in loss of regular income.

There are many things in life that the average household can live without, but family Takaful should not be one of those things. The importance of securing your life increases as the number of people in a household increases.

All these problems or unforeseen circumstances could be taken care of by participating in our Family Takaful Product! The Certificate provides you with both financial protection and savings growth in accordance with Shariah. It is an Investment-Linked Family Takaful Plan that allows you to invest in our Shariah Compliant investment funds, and participate in the protection benefit through a Waqf pool operated by the Adamjee Life Assurance Company Limited - Window Takaful Operations (AL - WTO).

What is Takaful?

The word Takaful is derived from the Arabic verb Kafala, which means to guarantee; to help; to take care of one's needs. Takaful is a system of Islamic insurance based on the principle of Ta'awun (mutual assistance) and Tabarru (voluntary contribution), where risk is shared collectively by a group of participants, who by paying contributions to a common fund, agree to jointly guarantee themselves against loss or damage to any one of them as defined in the pact. Takaful is operated on the basis of shared responsibility, brotherhood, solidarity and mutual cooperation.

Two Fold Benefits

Savings

The basic regular contributions are invested in one of the two professionally managed Shariah compliant funds designed to help the savings grow to match the Participant's choice of personal savings intention.

Takaful (Protection)

This is by way of transferring regular nominal contributions ('tabarru'at'- as Takaful donations) into the WAQF Fund. This WAQF Fund protects your intention to save the agreed amount of as sum covered* over the tenure of the certificate.

* 5 to 200 times of the total Annualized Basic Contribution (Basic Contribution x Mode Frequency = Annualized Basic Contribution).

Surplus Sharing

In addition to Risk mitigation benefits, Takaful offers a unique feature of Surplus sharing to the Participants. Surplus in the Waqf, if any, shall be determined on individual participant basis at the end of each financial year, after maintaining necessary reserves as per the advice of appointed Actuary and Shariah Adviser. The Distributable surplus will be allocated to the PIF as per define manner to the eligible Participants.

How your Investment grow in a Shariah Compliant way:

Contributions made towards the Certificate are invested in either of Taameen Fund or Maza'af Fund. You can choose to invest fully in one of the fund that suite your investment strategy. The returns earned after deduction of risk charges, and investment management charges are credited to the unit account balance and
