What is Takaful?

The word Takaful is derived from the Arabic verb Kafala, which means to guarantee; to help; to take care of one's needs. Takaful is a system of Islamic insurance based on the principle of Ta'awun (mutual assistance) and Tabarru (voluntary contribution), where risk is shared collectively by a group of participants, who by paying contributions to a common fund, agree to jointly guarantee themselves against loss or damage to any one of them as defined in the pact. Takaful is operated on the basis of shared responsibility, brotherhood, solidarity and mutual cooperation
